Without Referees, It's Just Recess!

When: June 17 to 19 (Fri – Sun)
Where: University of Portland
Cost: \$125 if paid in full by June 1st
\$135 after June 2nd

High School 3 Person Mechanics Camp

3 person high school mechanics are here to stay in Oregon.

This camp will introduce campers to 3 man mechanics and will continue our exceptional training format / instruction to improve play calling consistency, game management and working with game participants (coaches & players) useful in both 2 person & 3 person mechanics.

As we saw last year 3 person mechanics is DIFFERENT and requires training and on court time to become comfortable with the positioning and the different POA (primary officiating area). It's time to expand your experience and increase your comfortability with 3 person mechanics.

Assignors across the state will be looking for leaders who have 3 person experience and are proficient at managing games and participant expectations. Don't wait this camp will fill up quickly.
